1 Sleeve Length:

Measured with arm relaxed on the side, from neck seam along the top of arm to cuff.

2 Body Length:

Measured from high point of the shoulder to the bottom of the waist hem.

3 Chest:

Measured from each under arm and across front chest.

4 Waist:

Measured around the waist.

5 Hips:

Stand with heels together, and measure around the fullest part of the hips.

6 Inseam:

Measure from the crotch seam to the hem.

Landway styles are categorized in the following silhouettes:

Relaxed Fit: A generous cut providing plenty of room for full range movement with ease.

Classic Fit: A traditional cut with added ease providing for less restricted movement.

Slim Fit: A tailored cut, contoured close to the body for a streamlined fit.

Big and tall sizes are available on some styles. See price list for upcharges on XXL-5XL and tall sizes. Tall sizes add 2" to body length and 2" on each sleeve.
